

MAGNAFLOW GROUP VEHICLE SPONSORSHIP

Thank for you for your interest in MagnaFlow Group's product offerings. The MagnaFlow Group is a family held company based in Southern California that specializes in undercar and performance automotive products. The MagnaFlow Group brands have a proven reputation for over 40 years delivering quality and innovation in the automotive industry. MagnaFlow Group serves the industry with its MagnaFlow, BRExhaust, ECT (Environmental Catalyst Technology) and Camburg Engineering brands.

All requests received should qualify under one of the following categories: Professional Builder, Exhibition Vehicle, Racer Program, Influencer Builder, or denoted within the application. Sponsorships will be carefully reviewed and are selected in a limited quantity. You can expect a response in about 10 to 15 business days. However, if additional information is needed, our team will follow up accordingly.

Please take a moment to tell us a little about your project and how we can be a part of it by completing the following form. **Please note: Incomplete forms (including signature) will not be processed.**
